The Bryan & Vinny Show returns today with a packed episode of the program. We've got Raw and Smackdown from this past week to review, plus the final three episodes of season two of WORLD OF HURT (sad day today), and, finally, a look at an ANIMAL INFESTATION that could have taken Bryan's life on his weekend excursion. Best of all, this GIANT SHOW is completely FREE, so please post the link or file elsewhere and help spread the word about wrestlingobserver.com! And if you like what you hear, consider signing up for a subscription as Vinny and I do two to three shows per week in addition to the other 15-20 brand new shows, plus members have full access to our thousands of hours of audio and hundreds of new and archived Wrestling Observer and Figure Four Newsletters. It's a steal, so sign up and join the fun! Only at wrestlingobserver.com. {radioShow free/092612bvshow.mp3}
