

After almost a three-week delay, the original alternate has returned to preview the hottest thing sweeping North America at 4 in the morning. No, not methamphetamine. It's the New Japan Sumo Hall iPPV coming up on Monday. We run down the card, give our predictions and thoughts on the matches and stories, as well analyzing where some of these guys came from - and where they could be going, return of the Thumpa-Lump, NOAH's overshadowed big show on Monday, and recent results from IGF, DDT, All Japan, Dragon Gate, and much, much more. At 75 minutes, it's the radio show that weighs in heavier than Dennis Hallman; It's the Adam & Mike BIG AUDIO NIGHTMARE~! Proudly here at F4WOnline.com.{radioShow dmdocuments/100412am.mp3}
