

Fight off tonight's PPV

Din Thomas is out of tonight's Ultimate Chaos PPV, where he was scheduled to face Javier Vazquez.

Thomas, a former UFC fighter who fights out of the American Top Team, pulled out of the show in Biloxi, MS, which starts imminently. He weighed in at 146.6 pounds, yesterday, slightly over the maximum allowed 146 for his fight.

Apparently he was under the impression he would be fighting, and then started rehydrating after weigh-ins. then he was told he needed to make 146, and after rehydration, tried to do cut again, but ended up needing medical attention and the fight was canceled. Vazquez will be facing Mark Kergosien, a BJJ fighter out of Mississippi.
