

## AAA on Galavision TV report

AAA on Galavision  
 By: Xavier Hernandez  
 Show aired on: 07/11/09

Summary of last week's show: Mesias teamed up with Silver to take on Konnan and Wagner. Cien Caras showed up as the final surprise of Joaquin Roldan against Konnan. For this show, another classic main event six-man tag match, plus the new Cruiserweight champion in action, and more.

1) Laredo Kid, Argenis & Atomic Boy defeated Poder del Norte (Tigre Cota, Tito Santana & Rio Bravo)

\*Noti AAA:

-Highlights of Triplemania. Roldan regained control of the company after winning the cage match, with the help of Hijo del Santo.  
 -Dr. Wagner Jr. became the new AAA Champion, after defeating Mesias in a hell of a match.

2) Pimpinela Escarlata, Gato Eveready & Ultimo Gladiador defeated Polvo de Estrellas, Yuriko & Pasion Cristal

\*In-Ring Segment: Joaquin Roldan is in the ring with various tecnicos, and he thanks all the fans for all the support during the reign of terror led by Konnan and his Legion. He also thanks the late Antonio Peña and Marisela Peña for the support. Roldan calls out the former champion Mesias to thank him personally. Roldan tells Mesias, that despite the title loss, he is still a great wrestler. Mesias also thanks everyone, but asks Roldan for a rematch against Wagner. Roldan thinks Mesias deserves the rematch, and assures he will have the match on the next TV show. This brings out Konnan and the Legion. Konnan claims that good stuff cannot be gone, and that's why the Legion is still around. Konnan also says he is a cult classic like Mariachi, El Chavo and Pedro Infante. This leads to huge heat from the fans. Konnan says that Roldan cheated by bringing Zorro, or someone dressed like Zorro to help him out during the cage match. Roldan simply calls Konnan a sore loser. Konnan says he still has a year and a half left of his contract with the company, thus he won't leave AAA. Roldan as a general manager agrees that he cannot fire Konnan, but he will suspend him indefinitely. Konnan calls that decision a abuse of power, but Roldan doesn't care. And if anyone else complains like Konnan, they will also get suspended. Konnan leaves angry with the Legion.

\*Pretaped Segment: Pimpinela is talking backstage with Fabi, and says he's sad because Gato doesn't want to be around him anymore. Fabi suggests that Pimpi should ignore Gato, so he can start looking for him again. Fabi also thinks Yuriko is going after Gato, and Pimpi says is not fair. Pimpi will play like Fabi says. (I really feel sorry for Gato, really).

3) Decnnis & Sexy Star defeated El Oriental & Cinthia Moreno and Fabi Apache & Aerostar

\*Highlights of TM 17: During the cage match, Parka was handcuffed to the cage, and Konnan had the keys with him. Cien Caras and some tecnicos went after Konnan for the keys. Zorro showed up with his mask again, and gave Roldan a kendo stick to attack Konnan. Santo was the final man to escape the cage, thus leaving Team Roldan the victory. Backstage, the Hermandad says they are still the champions, despite many hard defenses. Now they want the heads of both Latin and Corleone. Lider assures that after he left the Mexican Powers, he's been more succesful, while Tiger and Crazy are going down. Somewhere else, Koslov and Romero talk. Koslov says he's tired of everything, and he wants to cause a real scandal. Romero doesn't get what Koslov is talking about, and Koslov tells him to follow him, because they will go get what's his.

4) Hermandad Extrema (Joe Lider & Nicho El Millonario) defeated Crazy Boy & Extreme Tiger

-Aftermath: D-MEX invades the ring to attack the Hermandad. Koslov grabs the title and says it belongs to him. Tiger takes the title back, and Koslov attacks him. Romero tries to split them up. The crowd is firmly behind Tiger. Koslov attacks him again.

\*Pretaped Segment: Electro says the Legion lost a battle, but not the war. Despite Konnan's suspension, Electro will be the leader of the Legion tonight. Teddy bows that he will send Jack to the hospital. Silver is still mad at Parka, for fleeing from him during the cage match. The three heels are willing to destroy the tecnicos, and make them pay for the loss and mania.

5) Electroshock, Silver King & Teddy Hart defeated Mesias, La Parka & Jack Evans

-Aftermath: The tecnicos clean house and toss the rudos out of the ring.

FINAL COMMENTS: One again I apologize for the delay. Like I mentioned many times, it just gets harder and harder for me to sit down for two and a half hours to write the report. This time I barely had time to write a short one, and I had to skip the short summaries of the matches that I usually do. As you see, this was the first show after Triplemania 17, so I guess that show must be somewhere online, look for it. Good matches on this show, specially the opener.
