

On Twitter Friday, Dana White officially announced a 12/15 show in Australia as the finals of the Australia vs. U.K. season of *The Ultimate Fighter*. The show will be an early morning/afternoon show in Australia that will air on 12/14 in prime time in the U.S. on FX.

This would mean the UFC and FX would have live fights on both 12/14 and 12/15, because the finals of the U.S. season of Ultimate Fighter will take place on 12/15 in Las Vegas.

The Australia show was announced as having Hector Lombard vs. Rousimar Palhares as the main event.
