

Update on Cena

Tuesday, 18 September 2012 10:55

An update by WWE on John Cena now lists that he will be out of action two to three weeks after his arthroscopic elbow surgery earlier today.

A time frame for his return is expected to be pinpointed more closely on Thursday when he goes in for a check-up but with nearly six weeks until the Hell in a Cell PPV, his scheduled match with C.M. Punk looks to not be in jeopardy.
