---

Tammy Sytech was arrested again yesterday for similar charges as what she was arrested three times for previously.

Sytech was arrested for a domestic dispute with former boyfriend Damian Darling at Darling's home in Branford, CT. Sytech was arrested on charges of violating a protective order taken out by Darling after previous incidents, as well as disorderly conduct and criminal mischief. Sytech, according to law enforcement agencies, appeared to be intoxicated.

She was held on \$25,000 bond and arraigned earlier today.
