

It appears that New Japan is going to make all of their PPV shows into worldwide iPPVs after the success of Monday's show.

New Japan Chairman of the Board Takaaki Kidani today on twitter said that the 11/11 show from the Bodymaker Coliseum in Osaka will be on worldwide iPPV. That date will be a middle of the night Sunday morning.

The show features Hiroshi Tanahashi vs. Yujiro Takahashi for the IWGP heavyweight title, Shinsuke Nakamura vs. Karl Anderson for the IC title and Kazuchika Okada vs. Hirooki Goto with the Jan. 4 Tokyo Dome title shot at stake.
